Re: Request for Disclosure of Public Information and Records
(Revised Code of Washington 42.56.001 et seq.)

Public records officer: Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (Herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any reference for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)

Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"?

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Re: Request for Disclosure of Public Information and Records
(Revised Code of Washington 42.56.001 et seq.)

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available.

Sincerely,

Leonard Levene

Re: Request for Disclosure of Public Information and Records

(Revised Code of Washington 42.56.001 et seq.)

Attn: Public records officer

:Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)

Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available

Sincerely,

Dana Lerma

Hi, Mr. Freed,

You have addressed this public records request to the Public Records Officer of the Kitsap County Department of Community Development.

I am the Public Records Officer for the Kitsap County Health District.

The Health District and Kitsap County are distinct and separate legal entities.

Since you have directed this request to Kitsap County DCD, no response will be forthcoming from the Health District.

However, if you did indeed intend to submit a public records request to the Health District, please re-submit to me. I have included a copy of our public records request forms for your reference.

Please don't hesitate to contact me again if I can be of further assistance.

Kitsap County Sheriff's Office
Steve Boyer, Sheriff
614 Division Street-MS 37
Port Orchard, WA 98366-7101

Dear Sheriff Boyer,

Re: Request for Disclosure of Public Information and Records
(Revised Code of Washington 42.56.001 et seq.)

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)

Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"?

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available.

Sincerely,

James and Patti Wamsher

Port Orchard, WA 98366

Hi, Mr. Freed,

You have addressed this public records request to the Public Records Officer of the Kitsap County Department of Community Development.

I am the Public Records Officer for the Kitsap County Health District.

The Health District and Kitsap County are distinct and separate legal entities.

Since you have directed this request to Kitsap County DCD, no response will be forthcoming from the Health District.

However, if you did indeed intend to submit a public records request to the Health District, please re-submit to me. I have included a copy of our public records request forms for your reference.

Please don't hesitate to contact me again if I can be of further assistance.

To: Kitsap1
Subject: Complaint about KRRC

We are now on the third consecutive day of continuous loud rifle fire coming from the Kitsap Rifle and Revolver Club. It woke me up this morning at 7:00AM. It went on all weekend and didn't stop until after 8:00pm Sunday night.

We were at our neighbor's house for a party for their relatives in Whisper Ridge who are from back east. They commented they couldn't believe the County would allow such intrusive behavior to continue. They said were awakened Sunday morning around 7AM and counted the rapid firings. They said it had to come from an automatic weapon.

I want to go on record as supporting the counties action against the gun club. This insanity has to stop. It is not right that our officials continue to let this disruptive noise and safety issue linger.

Re: Request for Disclosure of Public Information and Records
(Revised Code of Washington 42.56.001 et seq.)

Public records officer: Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (Herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)

Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"?

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available.

Please let me know when these records will be available for my viewing.

Sincerely,

Richard Lively

Mr. Bower

I've written you twice. To date I have heard nothing from you or your office.

Please understand. The lawsuit against Kitsap Rifle and Revolver Club is a travesty. You know it, I know it and all of the gun owners know it. We are passionate about our gun rights and a place to safely shoot. If you think you can "ride this controversy out" without getting involved and count on the "short memory" of voters to save you politically you are WRONG. So far you have chosen to ignore my letters. I will never forget if you chose not to get involved. This may very well doom any political future for you in Kitsap County.

I urge you to be a person of your word and a person of character. Get involved and stop this travesty.

Richard Lively
Kitsap County Resident and voter

:Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or

anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)

Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available

Sincerely,

Dana Lerma

Ms. Garrido

I've written you twice. To date I have heard nothing from you or your office.

Please understand. The lawsuit against Kitsap Rifle and Revolver Club is a travesty. You know it, I know it and all of the gun owners know it. We are passionate about our gun rights and a place to safely shoot. If you think you can "ride this controversy out" without getting involved and count on the "short memory" of voters to save you politically you are WRONG. So far you have chosen to ignore my letters. I will never forget if you chose not to get involved. This may very well doom any political future for you in Kitsap County.

I urge you to be a person of your word and a person of character. Get involved and stop this travesty.

Richard Lively
Kitsap County Resident and voter

Mr. Brown

I've written you twice, you personally promised me a response. To date I have heard nothing from you or your office.

Please understand. The lawsuit against Kitsap Rifle and Revolver Club is a travesty. You know it, I know it and all of the gun owners know it. We are passionate about our gun rights and a place to safely shoot. If you think you can "ride this controversy out" without getting involved and count on the "short memory" of voters to save you politically you are WRONG. So far you have chosen to ignore my letters and have failed to follow through on your promises. I will never forget if you chose not to get involved. This may very well doom any political future for you in Kitsap County.

I urge you to be a man of your word and a man of character. Get involved and stop this travesty.

Carolyn - Today I have received 28 separate PDRs regarding the gun club. I have only attached a representative amount of copies (the system would not allow me to attach all). Although they were all addressed to other departments (Sheriff, Prosecutor, Parks, Kitsap 1), in the subject line they all request DCD records. So far, it looks like all the requests are identical, and I understand that not all the records may be held in DCD. That being said, I'm forwarding you these so that you know what is going on.

Have a Great Day! Cheers!! - Don

Re: Request for Disclosure of Public Information and Records
(Revised Code of Washington 42.56.001 et seq.)

Public records officer: Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)
Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"?

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available.

Description: We are now on the third consecutive day of continuous loud rifle fire coming from the Kitsap Rifle and Revolver Club. It woke me up this morning at 7:00AM. It went on all weekend and didn't stop until after 8:00pm Sunday night. We were at our neighbor's house for a party for their relatives in Whisper Ridge who are from back east. They commented they couldn't believe the County would allow such intrusive behavior to continue. They said were awakened Sunday morning around 7AM and counted the rapid firings. They said it had to come from an automatic weapon. I want to go on record as supporting the counties action against the gun club. This insanity has to stop. It is not right that our officials continue to let this disruptive [click here](#)

Shooting Industry Masters Drawn to Kentucky

FMG Publications announces the 2011 Shooting Industry Masters and Shooting Industry Academy of Excellence awards presentation will be held in Kentucky. The Ninth Annual Shooting Industry Masters will be held July 22-23, 2011, at the Rockcastle Shooting Center, Park Mammoth Resort in Park City, while the 20th Annual Shooting Industry Academy of Excellence awards ceremony will be held July 22 at the Sloan Convention Center in Bowling Green, Ky.

Caldwell Natural Series Targets Show Spot-On

Caldwell's cardboard-backed, life-size Natural Series Targets offer full color photographs of whitetail deer, mule deer, turkey and coyote. The unique advantage of these targets are the illustrations of both the vital organs and skeletal structures of the animals. These illustrations can be easily viewed up close, yet disappear at a distance, allowing hunters to practice accuracy and proper shot placement.

Weaver Optics Introduces Scout Scope

Weaver® introduces a new scope for hunters who enjoy shooting scout rifles is now available from this industry mainstay. The Weaver Scout Scope (MSRP: \$254.95) is a Classic® K-Series™ optic with a fixed power of 4x28mm and is on shelves now.

CTC Defense Announces Laserguard For HK 45 Compact (HK 45C)

CTC Defense, a division of Crimson Trace Corporation, has announced a new Laserguard sighting device for the HK 45 Compact, the new LGD-645. Specifically designed to fit securely around the trigger guard of the HK 45c, this rugged, waterproof compact laser sighting device is instinctively activated by a rubber overmolded switch located directly under the trigger guard on the front-strap of the pistol.

CTC Defense Launches Innovative Dual-Can Technology

CTC Defense, a division of Crimson Trace Corporation, announces a groundbreaking new laser sighting platform that provides for both Red and Infrared (IR) laser functionality in the same small, rugged and ergonomic grip package. To be introduced at the Modern Day Marine Show in Quantico, VA., the LGD-426 with Dual-Can Technology is built specifically for the Sig P226, which is the primary handgun for Naval Special Warfare, military and law enforcement professionals worldwide.

CTC-Defense™ Partners With Camp Patriot As Corporate Sponsor

CTC-Defense (a division of Crimson Trace Corporation), manufacturer of innovative laser sighting and illumination solutions for militaries and law enforcement worldwide, announces the Corporate Sponsorship of Camp Patriot, a Non-Profit Corporation that exists to take United States disabled Veterans on outdoor adventures.

CTC Defense™ Launches New Modular Vertical Foregrip Technology With MVF 600

CTC Defense, a division of Crimson Trace Corporation, has announced an entirely new, innovative and modular foregrip sighting and illumination device to be introduced at the Modern Day Marine Show in Quantico, VA. The MVF-600 is a fully integrated and ergonomic laser sighting and white light foregrip that allows for quick target identification and acquisition for close quarters battle.

Votes Can Help Bring Funds for Vets

Readers have the opportunity to vote for the Paralyzed Veterans of America in the Pepsi Refresh Project and secure funds for that organization. You can vote once each day through the end of

September for the Paralyzed Veterans of America at <http://www.refresheverything.com/paralyzedveterans>. If the PVA wins, Pepsi's Good Idea organization will donate \$250,000 to PVA to be used to fund a variety of outreach programs for paralyzed vets.

FEATURE

Moving Forward

SAN FRANCISCO, CA -- Most of the major gun rights organizations gathered in San Francisco last weekend for the 25th Gun Rights Policy Conference (GRPC) where the mood was jubilant following the Supreme Court decision in the McDonald case, but the focus was on moving forward to build on the latest successes.

GRPC is sponsored by the Citizen's Committee for the Right to Keep and Bear Arms and the Second Amendment Foundation. Other groups attending or lending financial support included the National Shooting Sports Foundation, Gun Owners of America, the California Rifle and Pistol Association, the Calguns Foundation, the Microsoft Gun Club, and literally dozens of state gun rights groups. Missing from the 700 activists attending the annual conference was the National Rifle Association, which has been an active participant in many past GRPC gatherings. This comes at a time when many in the gun rights movement say that the NRA is trying to take credit for the momentous win in the McDonald decision, even though the case was initiated, directed, and funded by the Second Amendment Foundation.

Alan Gottlieb "The gun movement needs to be modeled after the civil rights movement, which consisted of many groups. Photo Courtesy GUN WEEK.

The NRA's absence only pointed out how much the gun rights movement has changed over the last decade -- a period during which other national Second Amendment (2A) groups have grown and state 2A groups have developed sophistication and success records born of years battling in the political trenches. There did not appear to be any need among the groups at GRPC to be lead by the NRA.

In his opening remarks, Alan Gottlieb, founder of the Second Amendment Foundation (SAF) said, "The gun rights movement

needs to be modeled after the civil rights movement, which consisted of many groups. It needs to be a movement controlled from the bottom up, and not from the top down."

One Word -- "Judges"

Gottlieb continued about the importance of GRPC, and 25 years of these gatherings where activists from around the country (and actually from other countries) meet, share strategies, and learn from each other.

"The importance of GRPC is networking," he said. "Without networking there is no communication. Without communication there is no gun rights. Without gun rights there is no freedom."

Noting the success in the Heller and McDonald decision and the dozens of lawsuits currently filed or on deck -- suits which challenge all manner of repressive gun control laws -- Gottlieb warned the audience that the most important job they face comes down to one word. "Judges."

Both Heller and McDonald were decided by a 5-4 margin. Had one justice gone the other way, we simply would not have a Second Amendment right to keep and bear arms. The upcoming election, and all elections, are about who appoints judges at all levels, and who is confirmed, he explained.

"The only way to fight the anti-rights efforts of the executive branch is through the courts," Gottlieb continued.

Currently, the executive branch -- the Obama administration -- is appointing anti-gun bureaucrats into agencies, it has put a strongly anti gun rights attorney general into that seat, its Secretary of State (Clinton) has changed the U.S. policy about the United Nations' efforts to "control" firearms, and there are efforts to restrict firearms owners by such agencies as the BATFE, OSHA (possibly banning all firearms in the workplace), the Forest Service, BLM, and Fish and Wildlife Service.

Only the courts can stop a runaway executive branch, which is why the appointment of judges is so critical.

Gottlieb, and other speakers, also warned that if the Democrat

party loses control of Congress in the mid-term election, as expected, that we could see attempts to slip in gun bans and restrictions in the lame duck session which follows.

The Rock Star Attorney

Rock star treatment for Gura who set the record straight on who won what at the Supreme Court. Gun Week photo.

Alan Gura, the attorney who argued both the Heller and McDonald decision before the Supreme Court, was treated like a rock star by the energized crowd. In his comments, he said he wanted to set the record straight about McDonald. Never naming the NRA, he clearly was addressing that group's claim that it somehow "saved the day" on that case by inserting its own lawyer into the case. Gura said that despite claims to the contrary, he argued both due process and privileges and immunities before the court, and the court's decision confirmed that this was a sound tactic in that not all justices which voted for gun rights would have gone with one or the other. Both arguments had to be made.

In speaking about the subsequent cases he is working, especially one challenging the city of Chicago -- where the new law requires training at a gun range to get your handgun permit, but at the same time bans shooting ranges -- Gura pointed out that these suits are expensive.

"Litigation isn't free," he said. "And freedom isn't free."

Dozens of other speakers addressed various aspects of the gun rights battle.

Larry Pratt, from Gun Owners of America, addressed the DISCLOSE act (which failed to pass again last week): "Any politician who doesn't support a full 'freedom agenda' across the board is not supporting the Second Amendment."

Jeff Knox, from the Firearms Coalition: "Bloggers, please stop saying a law 'allows' the use or carrying of guns. We remove restrictions the government has placed on us, but the government does now 'allow' us anything."

Richard Pearson of the Illinois State Rifle Association reported

that they will be working on getting concealed carry and statewide pre-emption approved in that state.

John Lott, researcher and author of the new third edition of the ground-breaking book *More Guns -- Less Crime*: "The role of empirical evidence will become more important." Saying that judges don't want to make decisions which will hurt people, they need to see clear evidence that when good people own guns, it makes them safer. Following almost two decades of research, he offered: "I can't find a place where the murder rate has gone down after a gun ban."

Gene Hoffman from the Calguns Foundation: "We lost our gun rights incrementally, and we have to work to get them back incrementally. The key is in being creative."

Nicki Stallard from the Pink Pistols: "The gay community is very politically active, and they are mostly anti-gun." Stallard explained that the Pink Pistols works with this community to show that they can protect themselves from physical attack if they own guns and know how to use them.

Joe Tartaro, editor of *Gun Week*: "Ask a candidate 'Do you own a gun?' If the answer is yes, then ask, 'Is it a handgun?' If the answer is no, he's not your guy."

While attendance at GRPC usually comes from the immediate area, every year a core group from all over the country attends. They come away energized, full of new ideas they can use in fighting local battles, and the entire gun rights movement gets a review of where it is and where it's going.

On the "where are we," the answer is that we are in a good place. The momentum is going our way, for the moment. The "where are we going" is equally clear. Civil rights litigation -- the specialty of Alan Gura -- demands planning and strategy. Each lawsuit is designed to set the stage for the next. Gura, the Second Amendment Foundation, and the Calguns Foundation have almost a dozen suits in place, and an equal number drawn up and waiting.

Showing propensity for taking its conference into the "belly of the beast" of anti gun rights attacks -- San Francisco -- Gottlieb

announced that next year's GRPC will be in Chicago. That should be one to put on the calendar.

--- Tom Gresham

Gresham is host of Tom Gresham's Gun Talk, the nation's only syndicated radio talk show about handguns and one of the special contributing editors of The Outdoor Wire Digital Network.

Subject: Shame on Republican Committee

I am a proud Republican who has been voting for over 42 years. Today, I'm not very proud of the local Republican group that has denounced our County Prosecutor Russ Hauge for his action taken against the Kitsap Rifle and Revolver Club. Your vote was taken and your letter sent before you even checked the facts of the case. You should not be making this a political issue. Taking a stance on a specific case involving our head law enforcement officer without knowing the facts is indefensible. Mr. Hauge is taking action behalf of all citizens of Kitsap County, not just Democrats.

Do you even know how large of area that has been adversely impacted by this gun club? No. Do you realize how many homes are affected in a 4 mile radius? I doubt it. This is not D or R issue. Safety of the community is non partisan. **Please take the time to read the facts of the complaint filed on line.**

There has been a great deal of disinformation generated regarding this lawsuit.

1. The safety issue raised in the complaint is about bullets leaving the range not the safety of the shooters on the firing line. All public letters and blogs from club supporters are missing the entire point. The club can not contain all the rounds that are shot. That makes them unsafe.

2. The club has expanded their shooting lanes from the historical configuration of two, to now it's 16 or more. All of this has allegedly been done without the necessary permits. The club refuses to apply for a conditional use permit that all ranges must have. It has taken the county way to long to enforce this particular point alone. Why?

3. KRRC has been there a long time, but their historic configuration was a private recreational club for pistols and rifles. There were very few complaints during there the first 75+ years. Even as the community grew up around the club their were few complaints. What changed? The gun club changed by expanding shooting bays and by trying to evolve into a competitive shooting club. They even tried to add military training, however both the Navy and Army concluded the range was not safe and did not have the proper certifications. The club allows any type of weapon to be shot, including 50 caliber automatic weapons. You do not unilaterally decide to expand your business by over 800% and not expect to have an adverse impact on the surrounding community.

To say the people affected by this change made a mistake to move in this area of Kitsap is totally inaccurate. To say these people should "suck it up" or "move" clearly shows lack of respect these folks have for others rights. All this club cares about is their right to shoot what and whenever they want. This suit is not a second Amendment issue. I personally worked for the NRA magazines and help generate funds for their organization. I am not anti gun, but I do believe in responsible shooting, obeying the laws and respecting other people's rights.

We also want to express our support for Mr. Hauge and Code Enforcement Official Steve Mount who were recently singled out with a veiled threat, from the Executive Office of the Gun Club, for doing their job. This occurred at Board of Commissioners meeting on September 13th. It's public record. The Republican Party should be defending and supporting these individuals for the job there performing, whether there is a D or R after their name. They are serving and protecting the community.

THE LAWSUIT:

The lawsuit filed by the county does not seek to shut down KRRC. It does ask the court to require KRRC to adhere to permitting regulations that require that the range is safe for its users and neighbors and operates in harmony with its neighborhood.

These are the facts. Don't be distracted by the distortions generated by the leadership and members of KRRC. Read the complaint, get the facts before you make a judgment.

It is the responsibility of the prosecutor's office to enforce the county code and to protect the public peace and safety. Russ Hauge has courageously stepped up to perform these duties, despite political and personal risk.

We gratefully applaud his efforts and wholeheartedly support them. We are fortunate to have such a dedicated and courageous county official.

After you've gathered the facts I believe the Republican Committee should do the right thing and issue a retraction of their previous position.

Skip Junis

A Republican, who sees the issues and will vote Democratic if required.

Subject: KRRRC CONFIDENTIAL

What is the date for Pierce County? Josh Brown said Oct. 1 and Russ Hauge said Oct. 8. A number of persons would like to be there to support you, but need to know the date so that they can schedule.

Did you get the information regarding Arnold Fairchild? He is the one who had a bullet hit his garage door and car--lives in the Eldorado Hills area where other houses have been hit. It happened around April 2008, complete with a visit from Marcus Carter, but no offer to pay for damages. When asked if he was willing to do a declaration, he said that he was.

Thanks,
Kevin and Gail Gross

Kelly,

I have spoken to the neighbors of Cindy Starr both yesterday and today. I informed them that this matter has been assigned to a different DPA and that we were noting this up for an unlawful detainer action on October 15th.

It is suspected that the house is now vacant, only because Marcus Carter (the individual who assumes he owns the home) will be renting it. This was overheard by the neighbors.

I informed the neighbors that I would call them once the Unlawful detainer summons and complaint goes out for service.

Subject: Minutes 9/16/10

September 16, 2010

Klahowya Secondary School

Newberry Hill Heritage Park Stewardship Committee Meeting

1. Minutes from the previous meeting were approved.
2. There were twelve people in attendance: (Frank Stricklin, Pat Stricklin, Toni-Anne von Scheele, Janessa von Scheele, Wade Larson, Nancy frank, Gina taylor, Ben Dachenhausen, Derek Slater, Clark Landis, Robin Kiess, Chris Seidel, Jon Lindberg, Tom Coleman)
3. Reports from subcommittees:
 - a. Education-Tom Coleman presented a report on park land designated for educational use. Public meetings gave designated land for educational use to the south of Klahowya Secondary School. The Education committee concluded that this parcel of land was too large, included some swampy areas, and should be reduced in size. He discussed involving students in building outdoor classrooms by presenting examples of various models. He asked for feedback from the group before sending the report to Parks and Recreation.
 - b. Trails-Pat Stricklin. In summary, the Trails Subcommittee is studying all trails to see if they meet needs of hikers, horses, and bikers. Future plans include three viewing platforms around the wetlands area. On September 20, a work party will complete GPS assessment of trails in the southern area of the park. Plans are in place to work on a trail down by the rifle club to reconnect a by-pass of a short strip of trail that runs in and out of rifle club property. The committee suggested various trail closings and renaming of existing trails, and presented a simplified map reflecting these changes. The committee also stressed the point that this land is protected by an RCO and might go back if it isn't properly protected. Pat Stricklin put forth a motion, seconded by Wade Larson, that we approve the trail committee report to the county Parks and Recreation Department for review. The motion passed. However, since we must have specific trail use definitions before Parks and Recreation can go to RCO Regina moved that we call the report a preliminary report. The motion was seconded by Nancy Frank and passed. The final report will be compiled after more work at the next trails committee meeting. Wade Larson reminded us that we need to think of groups to let them know about our committee. (see notes below)
4. Treasury Report: \$700
5. A work party is planned to reroute the Strange Days trail.
6. A committee was appointed to help with Bruce's planned work day (last name?). Committee members are: Lori Raymaker, Bruce, and Tom Coleman
7. Weed Wrench-Frank Stricklin. Frank is testing a Puller Bear weed puller. He plans to purchase two this summer from California.

Meeting adjourned.

Respectfully submitted,

Nancy Frank, Secretary

Attachment #1

Trail Committee Long Range Planning Meeting

Tues. September 14, 2010

Attendees: Tom Coleman, Colen Corey, Joanne Corey, Jon

1. Recap of Saturday's walk with stewards. Taken on August 21st, 2010. Gave people a great over view and idea of what we have and what enhancement projects we would like to see. All felt it went well .

2. GPS on existing trails should be done. Colen and Tom will go ahead and do the completion on this project next week, Sept. 20th. Trails and Loops that go to Private properties and other areas are still not mapped out and will be for a full overview of all park trails.

3. Viewing Platforms at 3 locations. Re- create a sustainable path to 1 on Twilight Zone (top of the hill) and 2nd on Twilight to view beaver dam at lake level. The 3rd location is at the actual lake level off of Speedway.

4. Elimination of trails: Satisfaction, Holy Diver and Valley Girl. All do to the unsustainability of these trails and the wet conditions of the area.

5. Re-develop: That Smell and Twilight to be more user friendly to all groups to go to a view spot.

6. Elevated: boardwalk for water passage on Speedway,(location just before gravel pit on DNR road).

7. Strange Days: needs to be re-routed by KRRC property line.

Work Party for Sat Sept 18th 10-12 will be to work on the reroute of this trail.

8. Evalutaion of the Jack. Keep Gear Jam, Strange Days with reroute. With all these trails reroute any wet areas or areas that violate KRRC property lines.

9. Trail Names:

SPEEDWAY- stays as is.

BONES- Change to BIRD MEADOW

FOREST SERVICE ROAD- Change to OLD LOOP RD.

STRANGE DAYS-stays as is.

GEAR JAMMER-stays as is.

THE JACK- Change to RICOCHET.

KLOHAWLYA TRAIL- LAKE TRAIL, will connect to Old Loop Rd.

10. Next Meeting we will address:

Park Boundary signage for trails

GPS work completed.

Re: Request for Disclosure of Public Information and Records
(Revised Code of Washington 42.56.001 et seq.)

Public records officer: Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)

Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"?

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available.

Very Respectfully,

Anthony Freed

Port Orchard, WA 98366

R'Lene,

Pursuant to the state open records law, Wash. Rev. Code Secs. 42.56.001 to 42.56.904, I write to request access to and a copy of the file or files related to Kitsap Rifle and Revolver Club, including those kept by the Department of Community Development, Prosecuting Attorney's Office and other agencies. I understand that some documents may be confidential because of attorney-client privilege. If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address.

I agree to pay any reasonable copying and postage fees of not more than \$25. If the cost would be greater than this amount, please notify me as I may opt to view the files in person.

As provided by the open records law, I will expect your response within five (5) business days. See Wash. Rev. Code Sec. 42.56.520.

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

Thank you for your assistance.

Public records officer: Kitsap County Department of Community Development

Pursuant to RCW 42.56.001 et seq., please produce all records, including but not limited to: documents, records of contacts, correspondence, electronic, printed, handwritten, typed, filmed or recorded material, or other representations of any kind, or anything pertaining, describing, referring or relating, directly or indirectly in whole or in part, to the subject matter referenced below.

Any references to "Kitsap Rifle & Revolver Club", "Kitsap Gun Club", "Gun Club", "KRRC", "K.R.R.C." (herein after "KRRC") or other variations and abbreviations of same. Any references to the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312. And more specifically:

Any references for safety complaints for KRRC and/or the property located at 4900 Seabeck Hwy NW, Bremerton, WA 98312

Any references for safety complaints for other ranges & like facilities (e.g. paintball, archery, etc.)

Any references for other complaints for KRRC (non-safety issue)
Any references for other complaints for other ranges (non-safety issues)

Search every record for permits required of other ranges

Search every record for requests for safety inspections of KRRC

Search every record for requests for safety inspections of other ranges and like facilities

Search every record for every facility that the public goes that must present a "safety plan"?

Every photograph of all shooting ranges on file

Every report on KRRC, & supporting notes

List of neighbors/neighborhoods who claim they are endangered

Every photo of KRRC, aerial or otherwise

Health department reports & records

Wildlife reports and records for said property

Wetlands information (if any) on KRRC land

Correspondence with other agencies about KRRC

In the event that you determine some portion of the requested documents to be exempt from release, please notify me of such action and identify any exemption(s) that is invoked. I request the release of any portion of the document or pieces of information that is not exempt. I further request that all documents stored in electronic form be provided electronically if possible. If documents are temporarily unavailable, I request explanation of same and release when they become available.

Sincerely,

Rob Potter

Subject: Records request for gun club

September 22, 2010

R'Lene Orr
Department of Administrative Services
614 Division St., MS-20
Port Orchard, WA 98366

R'Lene,

Pursuant to the state open records law, Wash. Rev. Code Secs. 42.56.001 to 42.56.904, I write to request access to and a copy of the file or files related to Kitsap Rifle and Revolver Club, including those kept by the Department of Community Development, Prosecuting Attorney's Office and other agencies. I understand that some documents may be confidential because of attorney-client privilege. If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address.

I agree to pay any reasonable copying and postage fees of not more than \$25. If the cost would be greater than this amount, please notify me as I may opt to view the files in person.

As provided by the open records law, I will expect your response within five (5) business days. See Wash. Rev. Code Sec. 42.56.520.

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

Thank you for your assistance.

chris

Subject: Fw: Position on Prosecutor's Suit

Please note the previous e-mail sent regarding Republican Party position and the Prosecutor's case. The highlighted facts in the previous letter was an attempt to summarize the referenced declarations included in the suit which the Prosecutor has been posted on-line for everyone to read. I encourage you to read the lawsuit so you can get all the exact details described in the complaint. I do not wish to mislead anyone to what is exactly being sought in the action. I wanted to sure that was clarified. Thanks

Subject: Position on Prosecutor's Suit
Date: Tue, 28 Sep 2010 08:07:14 GMT

Republican Committee,

I am a proud Republican who has been voting for over 42 years. Today, I'm not very proud of the local Republican group that has denounced our County Prosecutor Russ Hauge for his action taken against the Kitsap Rifle and Revolver Club. Your vote was taken and your letter sent before you even checked the facts of the case. You should not be making this a political issue. Taking a stance on a specific case involving our head law enforcement officer without knowing the facts is indefensible. Mr. Hauge is taking action behalf of all citizens of Kitsap County, not just Democrats.

Do you even know how large of area has been adversely impacted by this gun club? No. Do you realize how many homes are affected in a 4 mile radius? I doubt it. This is not D or R issue. Safety of the community is non partisan. **Please take the time to read the letter draft (below) we are preparing for future release due to the total mis-understanding of the facts.**

There has been a great deal of disinformation generated regarding the lawsuit Kitsap County Prosecutor Russ Hauge recently filed regarding the Kitsap Rifle and Revolver Club. We, the undersigned citizens of Kitsap County, would like to set the record straight and express our support for Prosecutor Hauge. (Note: Many of us are Republicans, but vote for the people who protect our interest). **We also want to express our support for Mr. Hauge and Code Enforcement Official Steve Mount who were singled out with a veiled threat from**

the Executive Office of the Gun Club for doing their job. The Republican Party should be defending and supporting these individuals for the job there performing, whether there is a D or R after their name. They are serving the community.

THE FACTS:

1. KRRC was “grandfathered” as a shooting range in 1993. This means that it was allowed to operate in the existing configuration of one rifle and one pistol firing lane. Any physical modifications or change in use would be subject to standard permitting requirements.
2. Since that time, KRRC has undertaken extensive modifications, including expanding to approximately 20 shooting lanes and bays, excavating and moving large amounts of heavily contaminated earth, and almost certainly encroaching on protected wetlands, all without obtaining the required permits.
3. KRRC has not complied with the county code requirement that it be inspected and approved by a certified range technical advisor.
4. KRRC has failed to install safety and noise control equipment as the other shooting ranges in the county have done.
5. As a result of the additional shooting lanes and bays and the lack of safety features, errant bullets have left the range and struck populated areas.
 - A child was barely missed by a bullet that struck a window just above her head while she sat in her living room.
 - A large caliber bullet struck a garage door at the end of a driveway where a small child had been playing just minutes before.
 - Hikers have reported bullets striking trees near them as they walked the trails of Newberry Hill Heritage Park
6. A military weapons expert has testified that the current configuration of the shooting lanes and bays of KRRC is fundamentally unsafe, endangering students at Klahowya Secondary School, users of the Newberry Hill Heritage Park, residents of a number of housing areas and drivers and passengers on Highway 3.
7. As a result of the physical modifications of the terrain and the enlarged facilities, the sound of gunfire is now broadcast into a large swathe of the county, disturbing people as far as 4 miles from KRRC. There were no noise complaints prior to the unpermitted expansion.
8. KRRC leadership has refused to allow county officials into their facility in order to inspect for land use and safety compliance.

THE LAWSUIT:

The lawsuit filed by the county does not seek to shut down KRRC. It does ask the court to require KRRC to adhere to permitting regulations that require that the range is safe for its users and neighbors and operates in harmony with its neighborhood.

These are the facts. Don't be distracted by the distortions generated by the leadership of KRRC.

It is the responsibility of the prosecutor's office to enforce the county code and to protect the public peace and safety. Russ Hauge has courageously stepped up to perform these duties, despite political and personal risk.

We gratefully applaud his efforts and wholeheartedly support them. We are fortunate to have such a dedicated and courageous county official. If you'd like to discuss the details of this case a number of us would like the opportunity to sit down and go over the details.

After you've gathered the facts I believe you should issue a retraction of your position.

THE FACTS:

1. KRRC was “grandfathered” as a shooting range in 1993. This means that it was allowed to operate in the existing configuration of one rifle and one pistol firing lane. Any physical modifications or change in use would be subject to standard permitting requirements.
2. Since that time, KRRC has undertaken extensive modifications, including expanding to approximately 20 shooting lanes and bays, excavating and moving large amounts of heavily contaminated earth, and almost certainly encroaching on protected wetlands, all without obtaining the required permits.
3. KRRC has not complied with the county code requirement that it be inspected and approved by a certified range technical advisor.
4. KRRC has failed to install safety and noise control equipment as the other shooting ranges in the county have done.
5. As a result of the additional shooting lanes and bays and the lack of safety features, errant bullets have left the range and struck populated areas.
 - o A child was barely missed by a bullet that struck a window just above her head while she sat in her living room.
 - o A large caliber bullet struck a garage door at the end of a driveway where a small child had been playing just minutes before.
 - o Hikers have reported bullets striking trees near them as they walked the trails of Newberry Hill Heritage Park
6. A military weapons expert has testified that the current configuration of the shooting lanes and bays of KRRC is fundamentally unsafe, endangering students at Klahowya Secondary School, users of the Newberry Hill Heritage Park, residents of a number of housing areas and drivers and passengers on Highway 3.
7. As a result of the physical modifications of the terrain and the enlarged facilities, the sound of gunfire is now broadcast into a large swathe of the county, disturbing people as far as 4 miles from KRRC. There were no noise complaints prior to the unpermitted expansion.
8. KRRC leadership has refused to allow county officials into their facility in order to inspect for land use and safety compliance.

THE LAWSUIT:

The lawsuit filed by the county does not seek to shut down KRRC. It does ask the court to require KRRC to adhere to permitting regulations that require that the range is safe for its users and neighbors and operates in harmony with its neighborhood.

These are the facts. Don't be distracted by the distortions generated by the leadership of KRRC.

It is the responsibility of the prosecutor's office to enforce the county code and to protect the public peace and safety. Russ Hauge has courageously stepped up to perform these duties, despite political and personal risk.

We gratefully applaud his efforts and wholeheartedly support them. We are fortunate to have such a dedicated and courageous county official. If you'd like to discuss the details of this case a number of us would like the opportunity to sit down and go over the details.

After you've gathered the facts I believe you should issue a retraction of your position.

Subject: Fw: Monday Meeting Thanks

Commissioners;

Thanks for the opportunity to let us briefly express a couple of our points tonight. It's amazing how fast three minutes goes by, especially when you adhere to the allotted time.

As you can see we brought a few folks to show support for the Prosecutor and you for the action being taken on behalf of many Kitsap residents concerning the Kitsap Gun Club. We are also concerned with suggested personnel cuts in Code enforcement. We want to voice our support for Steve Mount and quality job he does for Kitsap County. We need code enforcement.

I wanted to just quickly recap a couple of points I wanted to make and didn't quite get to them in the 3 minutes.

1. Those folks who stood at the meeting were only a small portion of the signatures we got to establish the affected area.
2. Many of those people have lived in their homes for over 20 years. These same folks have not complained about the club until recently. We didn't just all wake up one morning and decide to start a campaign against KRRC.
3. The club existed for over 80 years with one pistol/one rifle lane. That is how they were "grandfathered" into the county use plan. Physical evidence clearly shows expansion from 2 to over 16 firing lanes. This growth is what has adversely impacted the community along with the types of weapons being fired.
4. **The community grows up around the club, with very few complaints until the last couple years. It is KRRC who has changed - both in firing lanes and types of weapons used.** They also changed from a private recreational club to one promoting competitive shooting matches. This is not conducive with the existing surrounding community.
5. The range expansion has been done without permits and is clearly improperly designed to contained bullets and noise.
6. Last point. Our group has discovered another house hit in El Dorado. This is recent (late 2008). The bullet went through a garage door, bounced around and hit their car. The scary part is the couples two granddaughters were playing in the drive way so the stray bullet had to just miss them. They have pictures of the damage and I'm sure will be added to the declarations already in the suit. The counties liability is far more than just the clean-up if somebody gets hit. I'm sure this is what the Prosecutor saw in the evidence and why the suit was filed at this time.

Thank you Russ Hauge for protecting the rights of all Kitsap residents...not just a select few, who don't want to follow the laws and codes.

Note: This is what we are saying when we talk about safety. The club talks about their procedures at the club, which we don't question, it's the range design (berms etc) that can not keep bullets from straying into the community. This has to stop. If KRRC wants to continue to shoot large and automatic weapons then maybe the time has come to relocate them to a location that will eliminate the intrusion of noise, increase safety and minimize the environmental impact on the adjacent wetland.

Thanks for your time and the opportunity to let us provide you with the facts.

Gentlemen

I'm following up on the comment from the gun club attorney that she was told her requests Monday for maps from the county's GIS department had to be run by the prosecutor's office. Do you have any clarifying information?

We also received an e-mail from Shaun Lane about a request he made for maps from DCD. It seems a map of the gun club area that had previously been on the wall at the department was recently taken down. Is this true, and, if so, can you explain why?

Subject: Cindy Starr Real Property

Kelly,

I have spoken to the neighbors of Cindy Starr both yesterday and today. I informed them that this matter has been assigned to a different DPA and that we were noting this up for an unlawful detainer action on October 15th.

It is suspected that the house is now vacant, only because Marcus Carter (the individual who assumes he owns the home) will be renting it. This was overheard by the neighbors.

I informed the neighbors that I would call them once the Unlawful detainer summons and complaint goes out for service.

.....
Dear Ms Taylor,

Please find attached the estimate for creating the maps you requested. When you respond with your approval of this estimate, I can begin work on the maps.

As we discussed on the phone today, the GIS division does not provide old (pre-2001) aerial photography. To obtain these photos, you could contact Public Works or you could file a public information request.

Sincerely,

Don Burger

Okay, I think that Carol wants a new menu choice added to the left sidebar titled "Press Releases". I would have that navigate to a new page similar to the way the DOSA, Employment, and Office Locations do. On that new page I would make an entry for the 2010 Budget Cuts link and another link for the Civil Enforcement Action re: Kitsap Rifle and Revolver Club. I would then remove that link from our left nav where Jim placed it. If you are not following me just let me know. Thank you!

I completed the: 2009 New report can be filed under annual reports section.

Not exactly sure what she is looking for with the other requests: Create press release section -- where and what does she mean by section -- wouldn't it just link to a pdf press release? Or do you think she wants a new menu "Press Releases" added to the left side and then sub menu for 2010 budget cuts . . . ?

Gentlemen

I'm following up on the comment from the gun club attorney that she was told her requests Monday for maps from the county's GIS department had to be run by the prosecutor's office. Do you have any clarifying information?

We also received an e-mail from Shaun Lane about a request he made for maps from DCD. It seems a map of the gun club area that had previously been on the wall at the department was recently taken down. Is this true, and, if so, can you explain why?

Thanks very much, Chris Henry (360) 536-1553

No problem Michele. You'll see on your site Craig created a 'krrc' folder. This was meant to be a secured folder for Neil to view changes, but not have the public be able to access. It can be deleted.

I've placed the public page in the 'pros' directory titled 'krrc.htm' which I linked to your 'pros_nav' side menu. The PDF files are linked to our public ftp site for quicker download/less web storage space on www.kitsapgov.com.

Let me know if you have any questions.

Mr. Bauer

I am delighted that you have followed up on the invitation. It became obvious last night that you needed to see for yourself what is taking place at KRRC. I spoke with the executive board tonight and they have given me the OK to give you a tour.

As I told you last night, I'm leaving this weekend for the National Championship Match where I will 1st serve as a range safety officer and then shoot as a competitor. Time is short so I make myself available to you anytime Wednesday, Thursday or Friday. I prefer Thursday afternoon or Friday but will meet you anytime and give you a tour. Just let me know when you can make it - I expect you will see all you want to see in an hour, perhaps less, but I'll let you be the judge.

Thank you again for following through.

Richard,

It was good to meet you last night. I am following up on your suggestion that I tour the site. As promised, I did inquire of the Prosecutor's Office today about the possibility of my touring to KRRC site. Here is their answer:

1. I am not an agent of the Prosecutor's Office and have no ability to discuss or negotiate anything having to do with the lawsuit
2. In my capacity as a County Commissioner, I am free to tour the site upon an invitation from the Club's Board of Directors, if they so desire.
3. In my capacity as a County Official, anything that I see on the site is disclosable to other County staff.

If the Club sees value in my visiting the site I am sure that it would be informative for me.

Thanks again for taking the time to share your thoughts.

Mr. Bower

I've written you twice. To date I have heard nothing from you or your office.

Please understand. The lawsuit against Kitsap Rifle and Revolver Club is a travesty. You know it, I know it and all of the gun owners know it. We are passionate about our gun rights and a place to safely shoot. If you think you can "ride this controversy out" without getting involved and count on the "short memory" of voters to save you politically you are WRONG. So far you have chosen to ignore my letters. I will never forget if you chose not to get involved. This may very well doom any political future for you in Kitsap County.

I urge you to be a person of your word and a person of character. Get involved and stop this travesty.

Mr. Brown, Ms. Garrido

Last night was a frustrating night. I can see that you are also frustrated. After the meeting Mr. Bauer and I discussed KRRC and it became obvious that he could benefit from a tour of the club. I spoke with the executive board tonight and receive permission to give Mr. Bauer a tour of the facilities. I'm making the same offer to you and Ms. Garrido. You can tour together or separately - what ever fits your schedule.

As I explained to Mr. Bauer, I'm leaving this weekend for the National Pistol Championship match. I will be serving as a range safety officer for the 1st half of the match and shooting as a competitor for the 2nd half. Time is very short so I'm making myself available to give you a tour of the range facilities anytime Wednesday, Thursday or Friday. I prefer either Thursday afternoon or Friday but will meet you anytime you are available. I expect you can see all that you want to see in an hour but will leave that up to you. Let me know if and when you can come to the range.

Thank you, I hope we can get together

Richard,

It was good to meet you last night. I am following up on your suggestion that I tour the site. As promised, I did inquire of the Prosecutor's Office today about the possibility of my touring to KRRC site. Here is their answer:

1. I am not an agent of the Prosecutor's Office and have no ability to discuss or negotiate anything having to do with the lawsuit
2. In my capacity as a County Commissioner, I am free to tour the site upon an invitation from the Club's Board of Directors, if they so desire.
3. In my capacity as a County Official, anything that I see on the site is disclosable to other County staff.

If the Club sees value in my visiting the site I am sure that it would be informative for me.

Thanks again for taking the time to share your thoughts.

Mr. Bower

I've written you twice. To date I have heard nothing from you or your office.

Please understand. The lawsuit against Kitsap Rifle and Revolver Club is a travesty. You know it, I know it and all of the gun owners know it. We are passionate about our gun rights and a place to safely shoot. If you think you can "ride this controversy out" without getting involved and count on the "short memory" of voters to save you politically you are WRONG. So far you have chosen to ignore my letters. I will never forget if you chose not to get involved. This may very well doom any political future for you in Kitsap County.

I urge you to be a person of your word and a person of character. Get involved and stop this travesty.

Richard Lively
Kitsap County Resident and voter

Mr. Bauer

Friday morning at 9:00 AM will fit my schedule just fine. Looking forward to seeing you. I have made the same offer to Mr. Brown and Ms. Garrido - if they want to come at the same time let me know. They can also come at their convenience.

See you Friday

Richard

Richard,

I could meet you Friday morning. I have to be back up in Hansville by noon but if we met at 9 or 9:30 that would give ample time and get you out of town for your shooting competition?

I'll look forward to it. Thanks for the invite.

Steve

Mr. Bauer

I am delighted that you have followed up on the invitation. It became obvious last night that you needed to see for yourself what is taking place at KRRC. I spoke with the executive board tonight and they have given me the OK to give you a tour.

As I told you last night, I'm leaving this weekend for the National Championship Match where I will 1st serve as a range safety officer and then shoot as a competitor. Time is short so I make myself available to you anytime Wednesday, Thursday or Friday. I prefer Thursday afternoon or Friday but will meet you anytime and give you a tour. Just let me know when you can make it - I expect you will see all you want to see in an hour, perhaps less, but I'll let you be the judge.

Thank you again for following through.
