Dear Applicant:

This is to inform you that the above-referenced large lot subdivision has been granted final approval. Prior to recording the large lot subdivision, all property taxes must be paid in full through the current year.

The recording fees are as follows:

Large Lot Subdivision: **\$193.50**

Checks for recording fees should be made payable to Kitsap County Auditor.

Due to Covid and the building being closed to the Public, the following is required in this order:

You will need to email our Assistant Director, Angie Silva (asilva@co.kitsap.wa.us) for an **appointment only** with her for her signature on the final drawings.

Taxes will need to be paid in full through the current year **online**. Once taxes have been paid you will need to drop off the drawings in the drop box outside the Administration Building along with a check for recording in the amount of \$193.50. (Made out to Kitsap County Auditor).

Please note that this final large lot subdivision approval shall automatically expire if the final large lot subdivision is not recorded within **one** year of the written approval date.

Sincerely,
