RE: Large Lot Subdivision # 421
Permit No. 20-04992
Tax Account No. 272301-4-020+2005

Dear Applicants:

This is to inform you that the above-referenced large lot subdivision has been granted **preliminary** approval.

This decision is in compliance with Kitsap County Code 21.04 Land Use and Development Procedures. All applicable criteria have been met for preliminary large lot subdivision in accordance with Kitsap County Code Title 16.52 large lot subdivision.

The Department has further determined that the land segregation as it is presented in the preliminary large lot subdivision, received 12/21/2020 by the Department of Community Development, conform or will conform subject to conditions set forth in this letter, to the following:

1. Kitsap County Code Title 17 Zoning;
2. Kitsap County Code Title 12 Storm Water Drainage;
3. Kitsap County Comprehensive Plan and subarea plans;
4. Kitsap County Critical Areas Ordinance;
5. And all other elements of the Kitsap County Code that pertain to this land segregation.

Approval is subject to the following conditions:

LAND USE

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.52.
2. The following condition shall be added to the face of the final large lot subdivision: Building permits issued on a lot in this large lot subdivision may be subject to impact fees pursuant to Kitsap County Code.
3. The names of the roads in this land segregation shall be approved by Community Development prior to final subdivision approval.

4. All required permits shall be obtained prior to commencement of land clearing, construction and/or occupancy.
5. The decision set forth herein is based upon representations made and exhibits contained in the project application (20-04992). Any change(s) or deviation(s) in such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.
6. The authorization granted herein is subject to all applicable federal, state, and local laws, regulations, and ordinances. Compliance with such laws, regulations, and ordinances is a condition to the approvals granted and is a continuing requirement of such approvals. By accepting this/these approvals, the applicant represents that the development and activities allowed will comply with such laws, regulations, and ordinances. If, during the term of the approval granted, the development and activities permitted do not comply with such laws, regulations, or ordinances, the applicant agrees to promptly bring such development or activities into compliance.

SURVEY

1. At the time of submittal of the final large lot subdivision a title certificate, current to within 30 days, is required. Please note or delineate on the face of the final large lot subdivision all pertinent special exception items in Schedule "B" of the title certificate.
2. A Road Maintenance Agreement will be required for the access easements shown on the face of the plat. This may be in the form of a note on the face of the Final Plat that addresses ownership and maintenance responsibilities of the access easement, or in the form of a Road Maintenance Agreement document to be recorded separately and referenced on the face of the Final Plat.
3. A Final Short/Large Lot/Subdivision Plat shall be prepared by a licensed Land Surveyor in compliance with KCC Title 16.

STORMWATER

1. Construction plans and profiles for all roads, storm drainage facilities and appurtenances prepared by the developer's engineer shall be submitted to Kitsap County for review and acceptance. No construction shall be started prior to said plan acceptance.
2. Approval of the preliminary plat shall not be construed to mean approval of the total number of lots or configuration of the lots and tracts. These parameters may be required to be revised for the final design to meet all requirements of Kitsap County Code Titles 11 and 12.
3. The information provided demonstrates this proposal is a Small Project as defined in Kitsap County Code Title 12, and as such will require a Abbreviated Drainage Site Development Activity Permit-Large Lot (SDAP-LL) from Development Services and Engineering (currently under review, permit #20-04990).

4. Stormwater quantity control, quality treatment, and erosion and sedimentation control shall be designed in accordance with Kitsap County Code Title 12 effective at the time the Preliminary large Lot Subdivision application was deemed complete, December 22, 2020. The fees and submittal requirements shall be in accordance with Kitsap County Ordinances in effect at the time of SDAP application.
5. The available impervious area for each lot shall be determined by subtracting the total impervious area created by the new road from the total impervious area allowed for the project and dividing the remaining allowable impervious area between the lots created. Information shall be provided in a table as shown below.

Total Site Area	
Allowable Impervious Area	5,000 square feet
Impervious Area for Access Road	
Available Impervious Area, Lot 1	
Available Impervious Area, Lot 2	
Available Impervious Area, Lot 3	

6. The following condition shall be added to the face of the Final Large Lot Plat: If any proposed impervious area exceeds the allowable square footage as designated per the table, then an engineered Site Development Activity Permit (SDAP) will be required for that lot.
7. The following condition shall be added to the face of the Final Large Lot Plat: At the time of building permit application and/or any additional road construction or site work, the property owner shall comply with Kitsap County Code Title 12 effective at the time the Preliminary Large Lot Subdivision Application was deemed complete, December 22, 2020.
8. The following condition shall be added to the face of the Final Large Lot Plat: At the time of submittal of a building permit for any lot within this plat, soil amendment is required for all disturbed areas not covered by hard surface.
9. The following shall be added to the face of the Final Plat, under the heading Notes and Restrictions:
 - a. Maintenance of roof and yard drains and appurtenances shall be the responsibility of the individual homeowners.
 - b. All runoff from roof and yard drains must be directed so as not to adversely affect adjacent properties.
 - c. All lots are obligated to accept road drainage at the natural locations after the grading of streets is complete.
10. If The project proposal is modified from that shown on the submitted site plan accepted for review August 6, 2021, Development Services and Engineering will required additional review and potentially new conditions.

TRAFFIC

1. Submit an Application for Concurrency Test (KCPW Form 1601) as required by Chapter 20.04.030, Transportation Concurrency, of the Kitsap County Code. The KCPW 1601 form reserves road capacity for the project.
2. Access roads shall be constructed to Fire Marshal standards for emergency vehicle access.
3. The following shall appear on the face of the Final Plat, under the heading Conditions:
 - a. All interior roads shall remain private.
 - b. All lots shall access from interior roads only.
4. All rights of access for adjoining properties currently in existence shall be preserved and documented on the face of the final plat. Any amendment to the existing easement rights of adjoining property owners shall be properly executed and recorded prior to SDAP or final plat acceptance.

FIRE MARSHAL

1. Include on Final Plat): A 20-foot unobstructed access road is required for dwellings here and after constructed on lots created by this land division. IFC 503 Amended by Kitsap County Code.
2. If fire flow is not available, please add the following note to the face of the plat: "Automatic fire sprinklers, as approved by the Kitsap County Fire Marshal, shall be installed throughout homes here and after constructed on lots created by this land division".
3. Access roads shall comply with the following:
 - a. Unobstructed width of 20 feet and height of 13 feet 6 inches.
 - b. Shall be designed and maintained to support a 60,000-pound fire apparatus and be provided with an all-weather driving surface.
 - c. Dead end access roads exceeding 150 feet in length shall be provided with an approved turnaround.
 - d. Inside turning radius shall be a minimum of 25 feet.
 - e. Access roads shall extend to within 150 feet of all portions of the exterior walls of the first story of the structure as measured by an approved route around the exterior of the structure or facility.
 - f. Road shall not be more than 12% grade.

HEALTH DISTRICT

1. Building Site Applications will be required prior to building permit issuance.

SOLID WASTE

1. Prior to SDAP approval, applicant shall provide documentation from the solid waste/recycling service provider that their requirements for this project have been met. Waste Management Northwest can be reached at pnwcmsservices@wm.com or 1-800-592-9995; their website is <http://wmnorthwest.com/kitsap/index.html>

Preliminary approval of this large lot subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension may be granted.

Preparation of the Final large lot subdivision shall be done in accordance with Kitsap County Code 16.52. All applicable conditions of preliminary approval must be addressed with the submittal of Final large lot subdivision application. Submittals that do not address all conditions will be considered incomplete and returned without review. All of the above relevant conditions and any/all building setbacks and buffers established as conditions of approval must appear on the final large lot subdivision.
