RE: Large Lot Subdivision #439 – (Strader)
Permit No. 22-02021
Tax Account No. 032601-4-043-2003

Dear Applicant:

This is to inform you that the above-referenced large lot subdivision has been granted **preliminary** approval.

This decision is in compliance with Kitsap County Code 21.04 Land Use and Development Procedures. All applicable criteria have been met for preliminary large lot subdivision in accordance with Kitsap County Code Title 16.52 large lot subdivision.

The Department has further determined that the land segregation as it is presented in the preliminary large lot subdivision, received 07/28/22 by the Department of Community Development, conforms or will conform subject to conditions set forth in this letter, to the following:

1. Kitsap County Code Title 17 Zoning;
2. Kitsap County Code Title 12 Storm Water Drainage;
3. Kitsap County Comprehensive Plan and subarea plans;
4. Kitsap County Critical Areas Ordinance;
5. And all other elements of the Kitsap County Code that pertain to this land segregation.

Approval is subject to the following conditions:

LAND USE

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.52.
2. The following condition shall be added to the face of the final large lot subdivision: Building permits issued on a lot in this large lot subdivision may be subject to impact fees pursuant to Kitsap County Code.
3. All required permits shall be obtained prior to commencement of land clearing, construction and/or occupancy.
4. The decision set forth herein is based upon representations made and exhibits

contained in the project application (22-02021). Any change(s) or deviation(s) in such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.

5. The authorization granted herein is subject to all applicable federal, state, and local laws, regulations, and ordinances. Compliance with such laws, regulations, and ordinances is a condition to the approvals granted and is a continuing requirement of such approvals. By accepting this/these approvals, the applicant represents that the development and activities allowed will comply with such laws, regulations, and ordinances. If, during the term of the approval granted, the development and activities permitted do not comply with such laws, regulations, or ordinances, the applicant agrees to promptly bring such development or activities into compliance.

SURVEY

1. At the time of submittal of the final large lot subdivision a title certificate, current to within 30 days, is required. Please note or delineate on the face of the final large lot subdivision all pertinent special exception items in Schedule “B” of the title certificate.
2. A Final Short/Large Lot/Subdivision Plat shall be prepared by a licensed Land Surveyor in compliance with KCC Title 16.
3. Please removed proposed buildings on proposed Lot 2 and show them removed on the final plat submittal.

STORMWATER

1. Building permits submitted for this development shall include construction plans and profiles for all roads, driveways, storm drainage facilities and appurtenances. No construction shall be started prior to said plan acceptance.
2. Approval of the preliminary plat shall not be construed to mean approval of the total number of lots or configuration of the lots and tracts. These parameters may be required to be revised for the final design to meet all requirements of Kitsap County Code Titles 11 and 12.
3. Stormwater quantity control, quality treatment, and erosion and sedimentation control, as required for the development, shall be designed in accordance with Kitsap County Code Title 12 effective at the time of building permit application. If development meets the thresholds for engineered drainage design, the submittal documents shall be prepared by a civil engineer licensed in the State of Washington. The fees and submittal requirements shall be in accordance with Kitsap County Ordinances in effect at the time of Building Permit Application.
4. The following condition shall be added to the face of the Final Plat: At the time of submittal of a building permit for any lot within this plat, soil amendment is required for all disturbed areas not covered by hard surface.

5. If the project proposal is modified from that shown on the site plan approved for this permit application, Development Services and Engineering will require additional review and potentially new conditions.

TRAFFIC AND ROADS

1. At building permit application, submit Kitsap County Public Works Form 1601 for issuance of a concurrency certificate, as required by Kitsap County Code 20.04.030, Transportation Concurrency.
2. The Site Development Activity Permit (or Building Permit, if an SDAP is not required) shall include plans for construction of the road approach between the edge of existing pavement and the right-of-way line at all intersections with county right-of-way. Approaches to county rights of way shall be designed in accordance with the Kitsap County Road Standards as established in Chapter 11.22 of the Kitsap County Code. Existing approaches may need to be improved to meet current standards.
3. Any work within the County right-of-way shall require a Public Works permit and possibly a maintenance or performance bond. This application to perform work in the right-of-way shall be submitted as part of the SDAP process, or Building Permit process, if a SDAP is not required. The need for and scope of bonding will be determined at that time.

ENVIRONMENTAL

1. A 110-foot native vegetation buffer must be maintained along the delineated wetland boundary as depicted on the approved site and the associated wetland report. In addition, a building or impervious surface setback line of 15 feet is required from the edge of the buffer.
2. Permit approval subject to chapter 19.300.315 of Kitsap County Code, which states that buffers or setbacks shall remain undisturbed natural vegetation areas except where the buffer can be enhanced to improve its functional attributes. Refuse shall not be placed in buffers.
3. Prior to occupancy, the common boundary between the WETLAND buffer and the adjacent land shall be permanently identified with critical area buffer signs. A number of Critical Area Ordinance (CAO) signs shall be placed along the designated boundary spaced approximately 50-feet apart, visual from sign to sign. Signs must be attached to existing trees with diameter breast height greater than 4 inches. Alternative methods include 4x4 posts, metal posts or split rail fencing. Signs are provided at issuance and installation of the signs is required prior to final inspection and Certificate of Occupancy (CO).
4. A minimum twenty-five-foot-wide native vegetation buffer shall be established and preserved around the perimeter of the large lot subdivision.

HEALTH DISTRICT

1. This project will require a Building Site Application with Compliance for a new reserve for the existing residence and a Building Site Application for the second lot (including a new well).

22-02021 Strader – Preliminary Large Lot Approval
December 28, 2022

Preliminary approval of this large lot subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension may be granted.

Preparation of the final large lot subdivision shall be done in accordance with Kitsap County Code 16.52. All applicable conditions of preliminary approval must be addressed with the submittal of final large lot subdivision application. Submittals that do not address all conditions will be considered incomplete and returned without review. All of the above relevant conditions and any/all building setbacks and buffers established as conditions of approval must appear on the final large lot subdivision.

If you have any questions or comments regarding this letter, please feel free to contact **Peggy Bakalarski** for Survey matters; **Cecelia Olsen** for Stormwater and Traffic matters; **Carla Lundgren** for Land Use matters/Environmental matters all of whom can be reached at (360) 337-5777. Please contact **Kimberly Jones** for Health District matters at (360) 337-5285.

Sincerely,

12/28/2022

Peggy Bakalarski, Project Lead
