

## **Kitsap County has several ways to stay informed during winter weather.**

### **Kitsap Electronic Notification System**

Get the latest information sent to you electronically. You choose the subjects, the method of delivery and the frequency. Go to <http://tinyurl.com/62x75ow> to register. You can choose e-mail or text messages and select subjects from a menu. When new information is available you are automatically notified.

### **Inclement Weather Page**

Click the snowflake icon at [www.kitsapgov.com](http://www.kitsapgov.com) or go to <http://tinyurl.com/4ugvtm8> for the latest information during inclement weather. You'll find road conditions, closure and delay information and a host of useful links. Bookmark this page today!

### **Facebook**

"Like" us on Facebook and County news and information is automatically posted to your personal wall. Go to <http://www.facebook.com/KitsapWa>. Each posting includes a link to more information. It's a great way to stay connected with a resource you're already using.

### **Twitter**

With Twitter you can receive tweets directly on your mobile device, then re-tweet them to friends and family who follow you. It's a great way to get late breaking news and important updates. Go to <http://twitter.com/#!/kitsapwa> or follow @KitsapWA to stay connected.

### **Kitsap1**

Make Kitsap 1 your first call for County questions. Report problems, request service and search our knowledge base at [kitsap1.com](http://kitsap1.com) or call 360.337.5777. Requests are automatically routed to the appropriate resource for resolution. Go online and try it today!
