Native Plant Appreciation Week Event

Native Plant Garden Display at Manchester State Park. Visit a Kitsap County Native Plant Garden at Manchester State Park during Native Plant Appreciation Week, April 29 through May 5 2007. The display features 29 species of native plants, with signage, at the park entrance and is ADA accessible during Native Plant Appreciation Week. This self-guided display has been developed by the Washington State University Extension Kitsap Native Plant Advisors. Hours are from 9 AM to dusk.

To contact the Kitsap County Public Information Office,
call Carolyn Siems at 360-337-4412 or [email: csiems@co.kitsap.wa.us](mailto:csiems@co.kitsap.wa.us)
