### **Meredith Green presents at UMSL certification program**

**NACCTFO professional certification program for county treasurers, tax collectors,  
and finance officers**

The Honorable Meredith Green, Treasurer of Kitsap County, WA, recently gave a presentation at the annual meeting of the National Association of County Collectors, Treasurers and Finance Officers (NACCTFO). Her presentation, which took place in Portland, OR, on July 16, 2011, detailed the innovative practices of her office in giving customers the opportunity to receive their bills electronically. This was part of a series of continuing education courses in policy and management offered by the Public Policy Administration program at the University of Missouri-St. Louis (UMSL).

“Treasurer Green gave a great presentation, and demonstrated to other county finance officials how technology can work to make their offices more efficient and customer-friendly. The audience, which consisted of finance professionals from across the United States, found her presentation incredibly useful,” said Brady Baybeck, Director and Associate Professor of the Public Policy Administration program at UMSL. “By presenting, Treasurer Green reflected the best values of public service.”
