### Village Greens Golf Course

2298 Fircrest Dr. SE, Port Orchard, WA 98366

Junior Golf Camp is a FUN opportunity for junior golfers to learn new skills or improve their current skills while learning the game of golf. Students will enjoy three hours of instruction each morning. Instruction focuses on all facets of the game including technical skills such as good ball striking skills, precision putting and chipping, as well as rules, etiquette and play strategy. On Fridays each week, campers will golf on the course and use the skills they have learned all week.
