

**FORMAL BID 2016-106
KITSAP COUNTY DEPARTMENT OF PUBLIC WORKS
STORMWATER DIVISION**

**CLEAR CREEK FLOODPLAIN RESTORATION
RESPONSE DEADLINE: MARCH 3, 2016 @ 3:00 PM (PST)**

Kitsap County Purchasing Office will receive sealed bids for the construction of the Clear Creek Floodplain Restoration in Kitsap County. The work includes creating 3,200 linear feet of new stream channel and 8.5 acres of floodplain involving excavation of approximately 29,730 cubic yards of material. Work consists of installation of two or more temporary construction access points, installing site closure signage, fish removal, channel dewatering, channel grading and reconstruction with streambed material, removal of 1,500 linear feet of existing roadbed and two culverts, installation of log structures, streambed sediment and 3 bridges, installation of a new trail, removal of invasive vegetation, replanting of disturbed banks and slopes with native plants, and erosion control. It is anticipated that this project will be funded in part by the Washington State Department of Ecology. Neither the State of Washington nor any of its departments or employees are, or shall be, a party to any contract or any subcontract resulting from this solicitation for bids
