

**FORMAL BID 2016-156  
KITSAP COUNTY PUBLIC WORKS WASTEWATER DIVISION**

**MANCHESTER PUMP STATIONS 45, 46, & 47  
AND BEACH LINES REHABILITATION  
DUE DATE: THURSDAY, SEPTEMBER 29, 2016 @ 3:00 PM (PST)**

Kitsap County will receive sealed bids for the construction of the **Manchester Pump Stations 45, 46, & 47 and Beach Lines Rehabilitation** until the time and date indicated above. Instructions for the delivery of bids are contained in the Special Provisions for the Project. Prospective Bidders are hereby notified that they are solely responsible for ensuring timely delivery of their bid to the Kitsap County Purchasing Office on or before the bid submission date and time indicated above.

The principal items or elements of construction include:

- Pump station rehabilitations including new submersible wastewater pumps, wet wells, valve/meter vaults, and onsite piping at three existing pump station sites.
- New MCC and main control panels at all three pump stations.
- New standby generators at all three pump stations.
- Elevated concrete slabs, steps and handrails at all three pump stations.
- Associated site work and surface restoration at all three sites.
- Decommissioning and removal of three existing pump stations.
- Shoreline stabilization at two sites.
- Cured-in-place pipe (CIPP) beach line sewer rehabilitation.
