

# Kitsap County Business Recycling Guide

Businesses in Kitsap County offer several options for recycling collection, providing either carts or dumpsters for recycling items such as:

- plastic bottles, jars, jugs and dairy tubs
- glass bottles and jars
- metal cans
- clean paper, cardboard, newspaper, paper milk cartons, paper food boxes

For details about each recycler's services and fees please contact them directly.

## Steps to Business Recycling

1. Contact local recyclers. Let them know the materials you generate, get pricing information, and pick the recycler that best matches your needs.
2. Set up interior recycling containers with signs.
3. Educate employees about the new recycling program.
4. Monitor the progress of your program.
